NO. OF ENCLS.
(LISTED BELOW)

DATE OF INFO.

SUPPLEMENT TO REPORT NO.

25X1X

1. Recently, the Russians have authorized nuclear research for medical purposes in East Germany. They have also approved the construction of equipment for this purpose.
2. As a consequence, the firm Koch und Sterzel, Dresden, has been charged with the construction of a high-tension installation for nuclear research. This installation is now nearing completion. Its construction is consuming little time, since this firm has already built a similar installation for delivery to Russia.
